

YOUR SUCCESS IS OUR SUCCESS

AdvancedColorClass

Patterns of color accent the sculpture of the style to create fashion that turns heads. Perfectly colored and sculpted styles can be embraced by the quiet or outspoken personality to fulfill the individual perception of exquisite glamour.

This class will tap into your creative imagination and allow you to achieve beautiful fashion forward looks on your existing clientele without having to spend a lot of extra money on outside advertising. This class is designed to help you become more creative with the clientele you already have.

Artist - Kelsey Stout

Kelsey Stout has the industry beauty in her DNA. This Keune National Color Team Member grew up in the salon. Her gift to formulate and SEE

color is a vision beyond that of most. Trained in Canada as well as Europe, Kelsey brings new insight to the dimensions, processes and possibilities of the world of color. Color correction, model room, finished stage work, advanced Trend technique, all in a day's work for this incredibly gifted colorist.
