**PRODUCT FOCUS:**

**Color Lock system/Hydration Leave-In & Urgent Repair Shampoo**

With warm weather/hand & outdoor activities on the rise, it only makes sense that we concentrate on products that will particularly help your clientele during the summer months.

**HERO FOR MEN**

**TECHNICAL FOCUS:**

**Men's Box Cut:** This is the basis of many men's cuts. Encourage your attendees to begin expanding their men's markets.

**Ontarage:** Do you have a client with longer hair that doesn't want to lose length but wants a change? The Ontarage allows the stylist to add some depth, texture & layering.

**The Michelle:** Your client wants to be "trendy" but needs to maintain a "mainstream" look. The Michelle solves this dilemma by providing a modern mainstream cut for you.

**PROGRAM FOCUS:**

**Global Connection/Eufora HERO for Men**

GLOBAL CONNECTION is LIVE!!! This is a perfect opportunity for your Elite Team members to showcase their work on a bigger platform.
