

Product Name	ProBiotc Moisturizing Facial Cleanser		
SDS Number	CW-994	Issuing Date	April 19, 2017

Safety Data Sheet

1. Identification

Product Name
ProBiotc Moisturizing Facial Cleanser

Manufacturer
 Vanitas DBA Cal-Western Mfg.
 21580 S. Wilmington Ave.
 Carson, CA 90810

Product information
 See certificate of analysis

Emergency telephone number
 (800) 424-9300

End use:
 Personal Care

2. Hazards identification

Statement of hazard The product dose not require a hazard warning label in accordance with EC Directives.

No known hazards to skin, mild eye irritation may occur
 Observe the usual precautions when handling chemicals.

3. Composition / information on ingredients

Chemical characterization Water - based system blend with surfactants, emulsifiers, and fragrances / essential oils.

4. First aid measures

General Information Soiled material can be washed and removed in non-hazardous fashion.

Inhalation No inhalation hazard.

Skin Rinse with soap and water.

Eyes Rinse for 10-15 minuets. If symptoms persist Call a physician

Product Name	ProBiotic Moisturizing Facial Cleanser		
SDS Number	CW-994	Issuing Date	April 19, 2017

Safety Data Sheet

Ingestion May cause irritation, discomfort, nausea.

Notes to physician

Main symptoms None known.

Treatment Treat Symptomatically.

5. Fire-fighting measures

Suitable extinguishing media

foam. Dry powder. Carbon dioxide (CO₂). Water spray

Extinguishing media which must not be used for safety reasons

Do not use a solid water stream as it may scatter and spread fire.

Special exposure hazards arising from the substance or preparation itself, its combustion, or released gases

None known.

Special protective equipment for fire-fighters

Wear self contained breathing apparatus for fire fighting if necessary.

Environmental precautions

Dike and collect water used to fight fire.

Other Information

This is a water-base product and presents no particular fire or explosion hazard.

6. Accidental release measures

Personal precautions

None known.

Environmental precautions

Do not allow material to contaminate ground water system. Product is safe for general sewer system

Methods for cleaning up

Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Keep in suitable, close containers for disposal. Contaminated equipment (brush, rags) must be cleaned immediately with water
Dispose of in accordance with local regulations.

7. Handling and storage

Handling

Product Name	ProBiotc Moisturizing Facial Cleanser		
SDS Number	CW-994	Issuing Date	April 19, 2017

Safety Data Sheet

Advice on safe handling

No special measures required

Protection - fire and explosion

No special measures required

Storage

Material Storage

Protect from frost. To maintain product quality, do not store in heat or direct sunlight. Keep at temperatures between 5 and 35 °C(40 and 95°F)

Technical measures/Storage conditions

Keep tightly close in a dry and cool place. No special technical protective measures required.

Incompatible products

No special restrictions on storage with other products.

German storage class

12: Non-combustible liquids.

8. Exposure controls / personal protection

National occupational exposure limits (Germany)

No exposure limits established

ACGIH Exposure Limits

Exposure controls

Engineering measures No special measures required

Personal protective equipment

General advice Avoid contact with eyes

Hygiene measures Wash hands before breaks and at the end of workday. When using, do not eat, drink or smoke. Take off all contaminated clothing immediately. Wash contaminated clothing before re-use.

Eye protection Safety Glasses

Product Name	ProBiotc Moisturizing Facial Cleanser		
SDS Number	CW-994	Issuing Date	April 19, 2017

Safety Data Sheet

Hand protection

Chemicals resistant gloves

Suitable material Rubber gloves recommended , but not required.
Type

9. Physical and chemical properties

Appearance

Form Semi Viscous Pearl Liquid
Color Light Yellow
Odor Floral

Flash point Not Applicable

Melting point/range Not Applicable

Boiling point/range Not Applicable

pH 6.00-7.00

Viscosity 6,000-7,000cps

vapor pressure Not Applicable

Water solubility 80-90%

10. Stability and reactivity

Stability Stable under recommended storage conditions

Conditions to avoid Do not freeze

Materials to avoid None known

Thermal decomposition No known hazardous decomposition

Hazardous reactions No hazards to be especially mentioned.

11. Toxicological information

Toxicological data are not available. Observe the usual hygienic measures for handling chemicals.

12. Ecological information

Ecotoxicological data are not available. According to experience, the material has no harmful effect on the environment

Product Name	ProBiotic Moisturizing Facial Cleanser		
SDS Number	CW-994	Issuing Date	April 19, 2017

Safety Data Sheet

13. Disposal Considerations

Product information	Disposal required in the compliance with all waste management related state and local regulations. The choice of the appropriate method of disposal depends on the product composition by the time of disposal as well as the local statutes and possibilities for disposal. Diluted solution may be introduced into a biological purification plant, with permission of the responsible authorities
Uncleaned empty packaging	Contaminate packaging should be emptied as far as possible and after appropriate cleansing may be taken for reuse. Regulation concerning reuse or disposal of used packaging materials must be observed.
European Waste Catalogue	Allocation of a waste code number, according to the European Waste Catalogue (EWC), should be carried out in agreement with the regional waste disposal Company

14. Transport information

ADR/RID	Not regulated
ADNR	Not regulated
ICAO/IATA	Not regulated
IMDG	Not regulated

15. Regulatory information

Labeling in accordance with EC directives

The product does not require a hazard warning label in accordance with EC directives/ the relevant national laws

Water Hazard Class (WGK):

WGK Class	1
WGK Reg-Nr.	NA
WGK Source	Classification according to VmVmS, Annex 1 or 2

16. Other information

European Waste Catalogue	Allocation of a waste code number, according to the European Waste Catalogue (EWC), should be carried out in agreement with the regional waste disposal Company

14. Transport information

ADR/RID	Not regulated
ADNR	Not regulated
ICAO/IATA	Not regulated
IMDG	Not regulated

15. Regulatory information

Labeling in accordance with EC directives

The product does not require a hazard warning label in accordance with EC directives/the relevant national laws.

Water Hazard Class (WGK):

WGK Class	1
WGK Reg-Nr.	NA
WGK Source	Classification according to VmVmS, Annex 1 or 2

16. Other information

For further information, see:

For more information please see certificate of analysis.

Product Name	ProBiotic Exfoliating Facial Cleanser		
SDS Number	CW-1268	Issuing Date	April 19, 2017

Safety Data Sheet

Other Information

Product is safe to use on skin. Use as directed.

Changes against the previous version are marked by ***

Sources of key data used to compile the datasheet

Information contained in this safety data sheet is based on Cal-Western owned data and public sources deemed valid or acceptable. The absence of data elements required by ANSI or 2001/58/EC indicates, that no data meeting these requirements is available.

Further information

This information is based on our present state of knowledge. It shall describe our products regarding safety requirements and shall not be construed as a guarantee or statement of condition and/or quality.

Product Name	ProBiotic Gentle Peel Off Mask		
SDS Number	CW-991	Issuing Date	August 30, 2013

Safety Data Sheet

1. Identification

Product Name
ProBiotic Gentle Peel Off Mask

Manufacturer
 Vanitas DBA Cal-Western Mfg.
 21580 S. Wilmington Ave.
 Carson, CA 90810
 USA

Product information
 See certificate of analysis

Emergency telephone number
 (800) 424-9300

End use:
 Personal Care

2. Hazards identification

Statement of hazard The product dose not require a hazard warning label in accordance with EC Directives.

No known hazards to skin, mild eye irritation may occur
 Observe the usual precautions when handling chemicals.

3. Composition / information on ingredients

Chemical characterization Water - based system blend with natural clay, polyvinyl alcohol, emulsifiers, and fragrances /essential oils.

4. First aid measures

General Information Soiled material can be washed and removed in non-hazardous fashion.

Inhalation No inhalation hazard.

Skin Rinse with soap and water.

Eyes Rinse for 10-15 minuets. If symptoms persist Call a physician

Product Name	ProBiotic Gentle Peel Off Mask		
SDS Number	CW-991	Issuing Date	August 30, 2013

Safety Data Sheet

Ingestion May cause irritation, discomfort, nausea.

Notes to physician

Main symptoms None known.

Treatment Treat Symptomatically.

5. Fire-fighting measures

Suitable extinguishing media

foam. Dry powder. carbon dioxide (CO2). Water spray

Extinguishing media which must not be used for safety reasons

Do not use a solid water stream as it may scatter and spread fire.

Special exposure hazards arising from the substance or preparation itself, its combustion, or released gases

None known.

Special protective equipment for fire-fighters

Wear self contained breathing apparatus for fire fighting if necessary.

Environmental precautions

Dike and collect water used to fight fire.

Other Information

This is a water-base product and presents no particular fire or explosion hazard.

6. Accidental release measures

Personal precautions

None known.

Environmental precautions

Do not allow material to contaminate ground water system. Product is safe for general sewer system.

Methods for cleaning up

Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Keep in suitable, close containers for disposal. Contaminated equipment (brush, rags) must be cleaned immediately with water. Dispose of in accordance with local regulations.

7. Handling and storage

Handling

Product Name	ProBiotic Gentle Peel Off Mask		
SDS Number	CW-991	Issuing Date	August 30, 2013

Safety Data Sheet

Advice on safe handling

No special measures required

Protection - fire and explosion

No special measures required

Storage

Material Storage

Protect from frost. To maintain product quality, do not store in heat or direct sunlight. Keep at temperatures between 5 and 35 *C(40 and 95***F

Technical measures/Storage conditions

Keep tightly close in a dry and cool place. No special technical protective measures required.

Incompatible products

No special restrictions on storage with other products.

German storage class

12: Non-combustible liquids.

8. Exposure controls / personal protection

National occupational exposure limits (Germany)

No exposure limits established

ACGIH Exposure Limits

Exposure controls

Engineering measures No special measures required

Personal protective equipment

General advice Avoid contact with eyes

Hygiene measures Wash hands before breaks and at the end of workday. When using, do not eat, drink or smoke. Take off all contaminated clothing immediately. Wash contaminated clothing before re-use.

Eye protection Safety Glasses

Product Name	ProBiotic Gentle Peel Off Mask		
SDS Number	CW-991	Issuing Date	August 30, 2013

Safety Data Sheet

Hand protection

Chemicals resistant gloves

Suitable material Rubber gloves recommended , but not required.
Type

9. Physical and chemical properties

Appearance

Form Slightly Hazy Semi Viscous Liquid
Color Red
Odor Pomegranate

Flash point Not Applicable

Melting point/range Not Applicable

Boiling point/range Not Applicable

pH 5.50-6.50

Viscosity 9,000-10,000 cps

vapor pressure Not Applicable

Water solubility 85-90%

10. Stability and reactivity

Stability Stable under recommended storage conditions

Conditions to avoid Do not freeze

Materials to avoid None known

Thermal decomposition No known hazardous decomposition

Hazardous reactions No hazards to be especially mentioned.

11. Toxicological information

Toxicological data are not available. Observe the usual hygienic measures for handling chemicals.

12. Ecological information

Ecotoxicological data are not available. According to experience, the material has no harmful effect on the environment.

Product Name	ProBiotic Gentle Peel Off Mask		
SDS Number	CW-991	Issuing Date	August 30, 2013

Safety Data Sheet

13. Disposal Considerations

Product information	Disposal required in the compliance with all waste management related state and local regulations. The choice of the appropriate method of disposal depends on the product composition by the time of disposal as well as the local statutes and possibilities for disposal. Diluted solution may be introduced into a biological purification plant, with permission of the responsible authorities
Uncleaned empty packaging	Contaminate packaging should be emptied as far as possible and after appropriate cleansing may be taken for reuse. Regulation concerning reuse or disposal of used packaging materials must be observed.
European Waste Catalogue	Allocation of a waste code number, according to the European Waste Catalogue (EWC), should be carried out in agreement with the regional waste disposal Company

14. Transport information
